# The Mobile Workspace

## Enhance the meeting experience for everyone

**The Mobile Workspace** solution from Logitech, and Samsung sets a new standard for productivity with Copilot and Teams. These powerhouse tools work together for optimal audio, video, and productivity support—helping teams achieve more, every day.

## At home, in the office, or on the go

Help your hybrid employees get things done from anywhere, with more security, greater flexibility, and increased comfort.

## Unleash the power of Microsoft Copilot and Teams

Logitech and Samsung, combined with Microsoft Teams, are redefining hybrid teamwork and meeting equity. The Mobile Workspace delivers exceptional collaboration, enabling employees to get more out of Copilot and Microsoft Teams meetings.

Unlock the power of Copilot in Windows with a dedicated Copilot key—bringing AI directly into workflows and boosting productivity with a single keystroke. Add native Bluetooth-enabled headsets\* and untether users so they can enjoy a wide-ranging Teams experience.

\*Coming soon

# The Mobile Workspace

Everything you need to equip your remote and hybrid workforce from Logitech and Samsung.

## Zone 305

Certified for leading business apps and calling platforms like Microsoft Teams, Zone 305 is ideal for mass deployment. This lightweight wireless headset features great audio and reliable connections for clear and uninterrupted calls.

Logi P/N: 981-001450  
CNXXN SKU: 41811128
