

The Ultimate Desktop

Enhance the meeting experience for everyone

The Ultimate Desktop solution from Logitech and Samsung sets a new standard for productivity with Copilot and Teams. These powerhouse tools work together for optimal audio, video, and productivity support—helping teams achieve more, every day.

Pro tools for pro work

Provide power users with top-of-the-line products for enhanced performance. Deliver devices with control and precision, and with innovative features that streamline workflows and achieve excellence.

Unleash the power of Microsoft Copilot and Teams

Logitech and Samsung, combined with Microsoft Teams, are redefining hybrid teamwork and meeting equity. The Ultimate Desktop delivers exceptional collaboration, enabling employees to get more out of Copilot and Microsoft Teams meetings.

Unlock the power of Copilot in Windows with a dedicated Copilot key—bringing AI directly into workflows and boosting productivity with a single keystroke. Add native Bluetooth-enabled headsets* and untether users so they can enjoy a wide-ranging Teams experience.

**Coming soon*

The Ultimate Desktop solution

Everything you need to equip your remote and hybrid workforce from Logitech and Samsung.

Zone Wireless 2 (certified for Teams)

Logitech's headsets provide high-quality audio for two-way noise-free calls. Zone Wireless 2 is certified for Microsoft Teams so users can enjoy seamless audio and a complete Teams experience.
